Agreements during lunch

To ensure that lunchtime is enjoyable and pleasant, we will make clear agreements with the children.

- When the children enter the room, they sit down quietly, listen to the staff and wait until everyone is there.
- The children eat their sandwich calmly, stay seated while eating and help clean up afterwards.
- The children stay in the schoolyard and play in the designated part of the school area.
- Problems can be solved by talking about them. If the problem is too big, they can always ask our staff.

General agreements

- The children enter the lunchroom at the end of the morning. The youngest groups are picked up.
- The children wash their hands before eating and are given the opportunity to use the restroom.
- The children sit down at the table and start eating together.

- The children are expected to eat at least one sandwich from the lunch they brought with them. If you prefer otherwise, please let us know.
- While playing outside, the entrance gates are closed so that they cannot leave the playground. The gate will not be locked.
- Children are not allowed to leave the playground without consultation. It is important to always consult with the school coordinator if you would like to pick them up early.
- If a child becomes ill or an accident occurs, the school coordinator will be notified immediately.

Lunchbox

The children bring their own food and drinks. Since we place great value on a nutritious lunch, we ask you to provide healthy food. This means that candy, cookies, chips, and soft drinks are not allowed during the lunchtime.

Registration

All children who join the lunch break at Brood & Spelen must be registered. You can do this easily via [our website](#).

Parent app

We use the Brood & Spelen parent app. This allows you to register and deregister your child for the lunch break and request an extra- or an alternative day.

When you register your child with us, we will send you the login details. You can download the app from the App Store or Google Play Store.

Changing or cancelling your subscription

We kindly ask you to send any changes or cancellations of the subscription per email to administratie@broodspelen.nl. We apply a notice period of two weeks.

Swapping subscription days

A subscription day can be swapped within 7 days. Please submit this request via the parent app. A day off or a day without lunchtime care (for example, due to a study day or school trip) cannot be swapped.

Illness

It can always happen that your child is sick and cannot attend lunchtime. To ensure that both the administration and the school coordinator are properly informed, it is important to unregister your child in time via the app.

Subscription fees are still charged during absences. However, it is possible to make up a missed day within one week. If a child is sick for more than 7 days, the sick days from the eighth day onward will be credited.

**Occasional day or absence**

In order to organize the planning and supervision of the children, it is important to register or deregister your child for the lunch break via the parent app before 9:00 a.m.

Please note: if your child eats at a friend's house or is absent for any other reason, the agreed fee will still be charged. Have you requested an occasional day and would you like to cancel it? This extra day can only be credited if you announce your child's absence at least one day in advance via the Brood & Spelen parent app and send an email to administratie@broodspelen.nl.

Billing and payment

Six times a year, we send the invoice by email. If previously agreed, payment will be made via an automatic withdrawal.

Have you opted for regular payment? In that case we ask you to transfer the full invoice amount (including €12.50 administration fee) before the ultimate payment date.

Terms and conditions

Our general terms and conditions apply. You can find them on [our website](https://www.broodspelen.nl).
